

Search Media without login (if you did not log in yet)

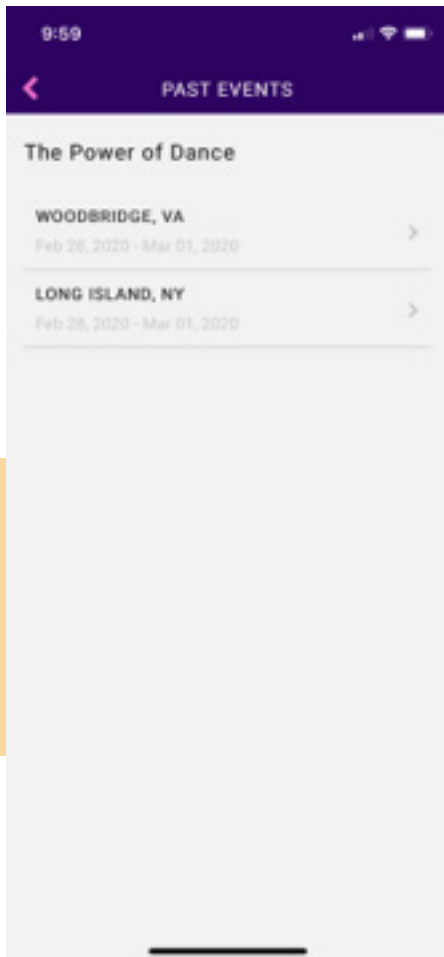

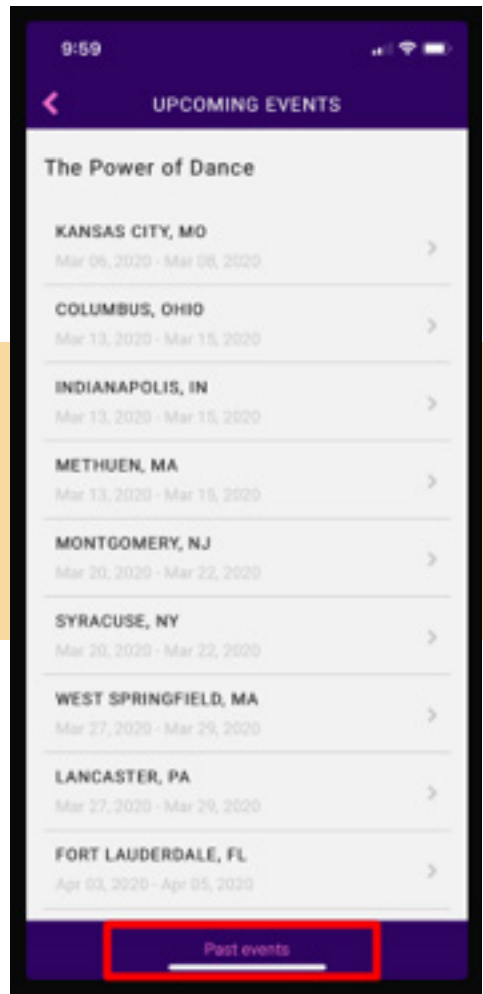

If you already logged in, click right top + sign to add

Choose View All Events by competition at the bottom (if your event is not a live event). If it is live event, it will directly listed after you click search media without login or add event, and you can simply click to get into the event.

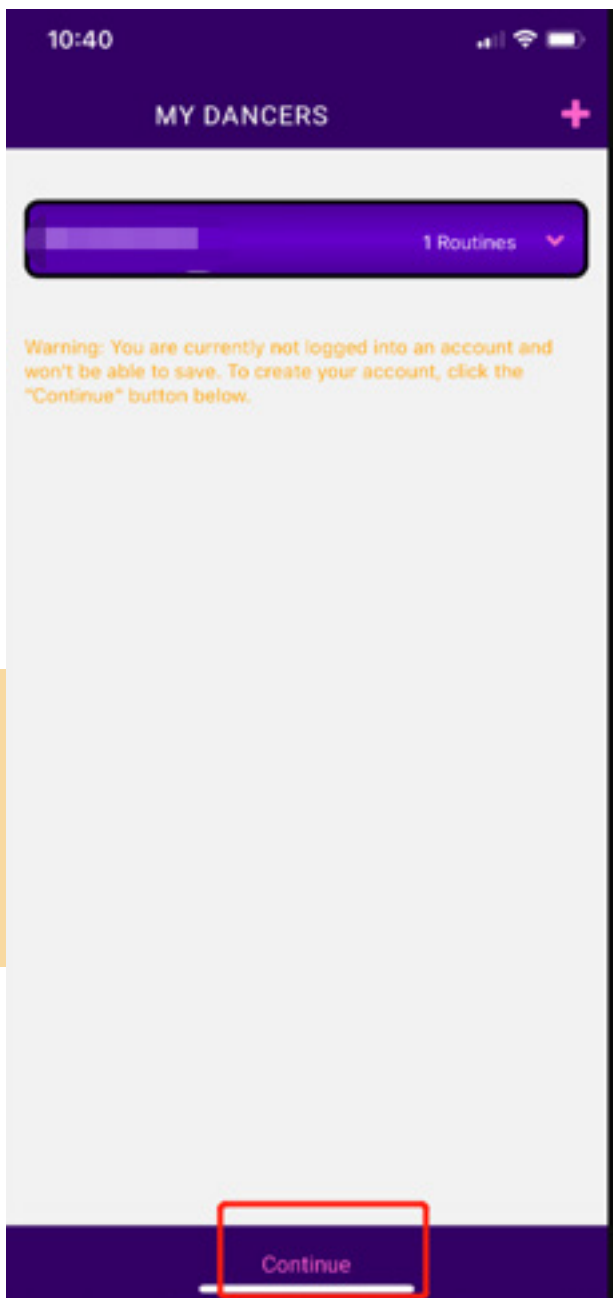

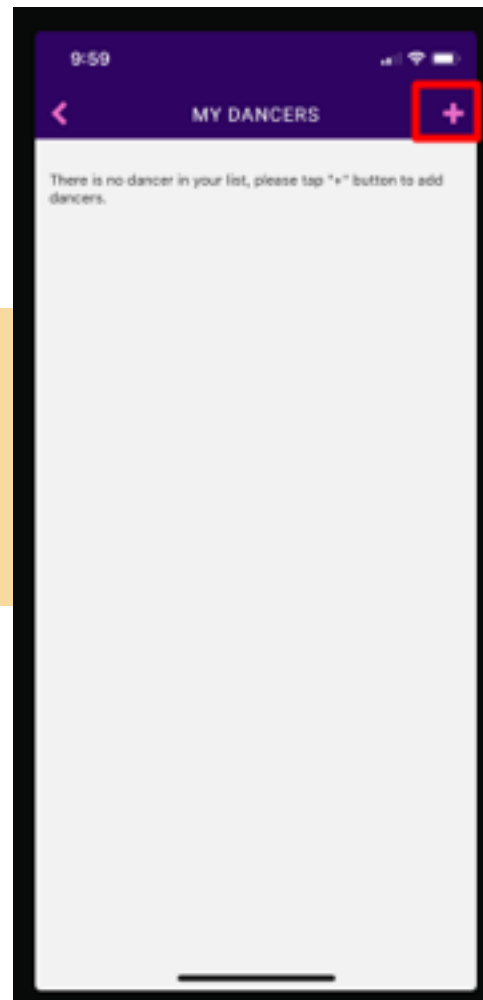

Choose the correct competition (If it is not live event).

Choose the past events on the bottom of the page
(If it is not live event).

1. Choose the correct event (if it is not live event)

2. You can click the highlighted button to add the dancer

3. After adding the dancer, click continue

4. Create an account and continue, or choose to login if you already have an account (ignore this step if you already logged in)
